The cover features a black and white photograph of the English High School building, which is heavily covered in ivy. A large American flag is flying in front of the building. A diagonal white line cuts across the image from the top right to the bottom left. To the right of this line is a photograph of a statue of two figures, one standing and one leaning against the other, on a pedestal. The text 'THE ENGLISH HIGH SCHOOL YEARBOOK 1967' is printed in a serif font, with '1967' in a larger, bolder font. The names of the Editor-in-Chief and Faculty Advisor are printed in a smaller font at the bottom right.

## *Preface . . .*

E. H. S. is the responsibility of the present,  
a look into the future.  
a group of industrious men  
aiming for the wealth of tomorrow.  
English High has the tradition of  
years gone by; a foundation set  
one hundred and forty-six years ago.  
It is not the work of one man, but the  
hopes and desires of many men. It is to  
this hope, that we now dedicate ourselves,  
that we sing songs of praise,  
to our teacher,  
O' English High.

# *The Head Master's Message to the Class of 1967*

As Head Master I welcome the opportunity which the publication of your Year Book presents to extend to the members of the Class of 1967, individually and collectively, the best wishes of the faculty and the alumni.

June brings to a close four years of successful scholastic endeavor, years during which you have had the opportunity to become better prepared for the tasks that lie ahead. Many of you will go on to the college of your choice, others will become engaged in worthwhile endeavors in the business world, while still others will be engaged in military service even before this book comes off the press.

Yours has been a good class and, in many ways, an excellent one. As such it will be well remembered by faculty and students alike. It has endeavored to make the most of the opportunities for scholarship, service, and leadership which a large school such as ours presents. All of you have found in the spirit of English High, I am sure, an ideal of service to mankind which will be a powerful influence for good in all your future endeavors. You have learned that those who give generously of themselves gain immeasurably in return.

Whatever your lot in life may be, you have been encouraged by precept and example to give to each day's task your best effort, to find a satisfaction in the pursuit of excellence, and to measure up to the challenges and meet the responsibilities that will be yours in a democratic society.

If you will but continue in your pursuit of excellence to develop the essential good that lies within you, you will become a man of honor and achievement through service to city, state, and nation in keeping with the fine tradition of your school.

In your efforts in this direction you carry with you the best wishes of your Head Master, the Members of the Faculty and the Alumni.

May God Bless your every effort for good.

JOSEPH L. MALONE,  
*Head Master*

## *Assistant Head Master's Message*

As Assistant Head Master of The English High School, I welcome this opportunity to extend my cordial best wishes for future success to the Class of 1967.

In these competitive and troubled times, today's high school graduate is faced with college, service or full-time employment. In each of these diversified areas, you will compete with other young men, capable and qualified, as you strive for advancement. May your efforts at English High School hold you in good stead in your chosen field.

As the men of the Class of 1967 depart on their separate ways, they leave with the cherished memories of their years spent at The English High School and the challenge of our school's aims — to become men of Honor and Achievement. The fulfillment of this objective rests in the minds and hearts of each and everyone of you. This is the challenge of America today. This is the heritage of an English High School graduate. This is the solemn trust and obligation passed on for almost a century and a half to English High School men.

These times call for clear thinking, for decisive action, and for perseverance. You are our future. Remember, you will always be men of English High School.

May good fortune accompany you in your life's endeavors.

FRANCIS G. POWER,  
*Assistant Head Master*

*First Row (Left to Right):* Messrs. Langley, Scalese, Heins, Kenney, Creedon, Dennehy, McGowan.

The Class of 1967 pays tribute to and respectfully dedicates this yearbook to the Senior Home Room Advisors. These men have led us through our final year at E.H.S., setting an example worthy of our emulation. These men have all unselfishly directed us toward the responsibility of the future, and without their spirit and leadership our learning experience would have been hampered. So it is with deep respect that we honor these men and dedicate ourselves to carry on their spirit.

## *Retirement . . .*

JOSEPH L. KENNEY

This year marks the retirement of Mr. Joseph L. Kenney of the History Department. After receiving an A.B. Degree from Holy Cross in 1919, Mr. Kenney taught in the following New York schools:

Iona Prep — New Rochelle  
St. John's College — Brooklyn

After teaching for a time at the Newman School in Lakewood, N. J., Mr. Kenney returned to Boston where he earned his ED.M. from Harvard University in 1928.

Appointed to the English High School faculty in January, 1934, Mr. Kenney, on his retirement, will have completed forty-three (43) years of teaching.

He coached baseball, football, basketball, and boxing in New York Schools; a former member of the N. Y. State Umpires Assn., Central Board of Football Officials; Eastern Mass. Assn. of Approved Basketball Officials.

He was instrumental in making basketball a major sport in Eastern Canadian Colleges.

The "Kenney Basketball Award" is given annually at St. Francis Xavier University in Nova Scotia in his name.

# SENIOR CLASS of 1967

MICHAEL THOMAS

*President  
of the  
Class of 1967*

In a short time the graduates of this class will be faced with the traditional problems that all boys must face, i.e., becoming men. This transition from youth to manhood; from irresponsibility to responsibility; from dependents to providers is not an instantaneous one. It is rather the culmination of a set of values we have learned from our parents, our teachers, and our classmates.

We are very fortunate to have matriculated at the English High School; for our school is uniquely designed to prepare us for the responsibilities that we must soon accept.

English High School is a school steeped in rich tradition of academic and athletic success, but English High School is also an optimistically alive school always looking ahead toward the continued success of her graduates.

The most distinguishable and memorable aspect of English High is its student body. I would like to express my thanks to the people who constitute this body. At English High School, we learn the most important lessons that we can be taught; we work, study, and compete with all kinds of people. We learn that economic, religious, and ethnic backgrounds are unimportant. This is the lesson that I will remember the longest.

Looking back over our years at English High, we have much to be thankful for, that attempting to write about the people who have made our high school days a pleasant experience somehow seems impossible. I wish to extend to Mr. Malone and the entire faculty the sincere thanks of the entire senior class. I know that the best way to say "Thank You" will be for this year's class to join in perpetuating the English High School tradition of honor and achievement.

1967

*Hear Ye! Hear Ye! Hear Ye!*

We the class of 1967, being of sound mind (?) and body (!), upon realization of our approaching departure from the Hallowed Halls of EHS, do, on this 8th day of June, Nineteen Hundred and Sixty-Seven, leave the following for posterity:

- To Mr. Kenney we leave a happy retirement and a "Joe" for president button.
- To Mr. Eccles we leave Yale Magrass (and a good laugh).
- To Mr. Yalmokas we leave a toupee and four little diet pills.
- To Mr. James Mullan we leave Thomas Lane, and his own personalized Chemistry book.
- To Mr. Kopins we leave Bob Walton and his 466 unsigned cut slps.
- We leave Mr. Langley crying over losing such a great Yearbook Staff.
- To Mr. Stewart we leave 151 new exercises taped to save his golden voice.
- To the MacDonald brothers we leave the Bobbsey Twins.
- To Mr. Tierney and Mr. Sheridan we leave life time memberships to the Jolly Green Giant Fan club.
- To Bob Hoar we leave a chocolate "Chip" cookie.
- We leave Jim Carras still working on his chemistry project.
- To Jonathan Hurwitz we leave an acceptance to Radcliffe.
- To Miss Burke we leave one of Mr. Duffy's Self Defense Courses
- We leave Louie Lunetta boarding a plane for Bimini.
- We leave Bill Weeks cutting Chemistry as usual.
- To Mike Thomas we leave the handbook, "1001 plays for College Quarterbacks."
- To Marvin Fredberg we leave a "D" in English.
- To the Cooper Brothers we leave a photo finish.
- We leave Jack Cusick the center of attention.
- To Stephen Welch we leave a pen for Chemistry.
- To Latin School we leave all our Caesar trot's.
- To Harry Snyder we leave a gold-plated master key (to replace his copper one).
- To Mr. Mosher, Mr. Yalmokas, and Mr. John Doherty we leave a lifetime supply of Playtex girdles.
- We leave Carmine Fasulo . . .
- To Floyd Priester we leave a saw-proof lock.
- To Steve Jenkins we leave a pair of purple crutches.
- To Frank Williams we leave a pass for every occasion.
- To Next Year's Yearbook Staff we leave our autographed room.
- To Mr. James Doherty we leave an answer book to his tests (everyone else has one, why shouldn't he?)

# Four Years Gone By . . .

## FRESHMAN

The summer came and went, and we, the class of 1967 entered the English High School Freshman Annex early in September of 1963 to begin an interesting experience. We soon became familiar with our master-in-charge Mr. Gillis, and with the rest of the fine faculty. At the end of October we received our first report cards despite our wishing that the IBM Machine would break down. Better luck next time!

The schoolboy football season opened as our mighty team beat B.C. High, South Boston, and Boston Trade. Then on November 16 at Russell Field in Cambridge, Rindge Tech upset English by a score of 8-0 and ended our 19 game winning streak, the longest in the state.

An event occurred on Friday, November 22, 1963 that no boy shall ever forget. By the time school ended that day rumors had already been circulating that President Kennedy had been shot, but no one knew for sure until they got home

to find it true. Vice-President Johnson was immediately sworn in as our new President.

The traditional Thanksgiving Day football game was played as scheduled the following Thursday, despite the assassination of the President. However, at the beginning of the game, 20,000 fans rose from their seats in Harvard Stadium to honor the memory of the late John F. Kennedy. Half-time music by both bands was eliminated. At the end, English had scored another win over arch-rival Latin.

Our Swimming Team had a great year as it finished first in the state, but all other teams were in the process of rebuilding. In the later half of the year, we took the NEDT Tests to determine how smart we were.

As our first year came to a close, all of us looked forward to moving into the main building on Avenue Louis Pasteur in the Fenway.

## SOPHOMORE

Summer vacation ended as we moved into the main building in the Fenway to begin our Sophomore year at English High School. We were soon told by Headmaster Joseph L. Malone what was expected from an English High School student. The main building lacked the appearance of the White House, but we decided to make the most out of it, for we had no choice. Our football team also left much to be desired as it finished the season with a 4-3-1 record and lost to the school across the street on Turkey Day as Captain Mario Caporale missed a field goal by less than a yard. Our Hockey Team had a successful season as it won the City League Crown. Mr. Gillis' track team won the co-championship of New England as our swimming team won the Eastern Mass. Championship.

Hundreds of weak sophomores were now signing up in Mr. Duffey's self-defense course. Once we were in the main building, it didn't take long before we realized that the square thing on the wall, usually referred to as a Public address system speaker, could bother us while we were taking tests. It also worked the opposite way; it could waste time too.

The next event that occurred that year was the highly successful Home and School Fashion Show. This annual show has always raised much money for scholarships for boys going to college.

June rolled around the corner as we finished our second year at America's oldest public high school. Half the battle was over!

*"At ease, gentlemen!"*

*"Bombardieri and his big ears"*

## JUNIOR

We soon returned to English High as juniors, wondering if the school year would be as hard as we heard it would be. It wasn't long before we were sitting in the Assembly Hall taking the PSAT Tests. After these tests, many of us started to worry about our future college plans. Our Football Team was made up mostly of juniors who needed this season to iron out their problems. On Thanksgiving Day, we lost to the school across the street by the score of 24-12. The ancient school rivalry was now tied in the number of games won and lost. Nobody knew at this time that this same team would be one of the best in the state the following year.

The war in Vietnam became worse and bigger each day as History classes discussed this topic daily. The race for space became closer between the United States and Russia as we orbited more men that year than the Russians.

At our assemblies, we still sang our Alma Mater at least twice. Everyone looked forward to the day when it would have to be sung just once. Practice makes perfect! Military Drill was eliminated from the Boston Schools in our junior year, but we still had our famous Drill Team. Two new courses were added to replace drill. They were Developmental Math and Developmental English that were geared to help us achieve better scores on the College Boards.

In May many of us took our first College Boards. We even had to go to school on a Saturday morning to take them. Of course, all of us easily broke 500; would you believe 400? In June we put down a five dollar deposit to order our school rings which we would receive in September. Our Junior year at English High School officially ended on June 24, 1966.

*"No peeking now!"*

*"You low-down spaghetti pusher!"*

## SENIOR

*Now, coach? Now?*

*Which one's the dummy?*

*The Three Mouseketeers*

The big day finally arrived when we walked through the front door of the oldest high school in America as Seniors. Class rings were delivered about a month after school started, and we proudly showed them off to our friends. Many of us were surprised to find a new assistant headmaster at EHS. Mr. Devore had gone to Girls Latin School as we received Mr. Frank Power from Hyde Park High School. At our first assembly of the school year, Mr. Power made it clear that he would not tolerate any nonsense. Most of us will now agree on this. He went on to tell us that there was something special about the English High School and its students that no other school could match. Mr. Power received a standing ovation as he walked off the stage.

One thing was on most of our minds — college. Seniors flooded the Guidance Office seeking assistance in applying to colleges. Early in November, Senior Class elections were held as the following results were recorded:

President, Michael Thomas; Vice-President, Robert Hoar; Secretary-Treasurer, Louis Lunetta; Executive Committee, James Carros, Charles Van Rossum.

Many thanks to Mr. Russell Langley and Mr. Charles McCarthy for their excellent help in planning and running the election.

English High School opened its football season as it trounced B.C. High, Groton, Boston Tech, and Cambridge Latin. At this point our team was the only unbeaten, untied, and unscored-upon team in the state. However, in the next game we lost one of the *un's* as Catholic Memorial kept us to a 0-0 tie. We lost another *un* the following week as Rindge Tech scored one touchdown against us. We still won that game easily! Our football team went on to beat Boston Latin in the 80th annual classic at Harvard Stadium by a score of 20-18 before a new attendance record of 27,00 fans. The mighty Blue and Blue won the City League Championship and finished fourth in the state in our first year in the State Class A ranks. It will be a long time before EHS sees another team like this.

Also in November the officers of the Student Council were elected by all the Home Room Representatives and Athletic Captains. The following students were elected in the election that occurred under the direction of Mr. Mosher

President, James Gilchrist; Vice-President, Daniel Hurley; Secretaries, Charles Del Dotto, David Bernstein; Treasurer, Roman Majkut.

The Student Council's biggest accomplishment of the year was the rally to honor the football team.

*Final score 62-59*

*Homework, Homework, Homework*

*Double Trouble*

College Boards were taken again in December and January by many college-minded Seniors. We all got good scores again! An army of painters invaded the school to try to give it a better appearance. In spite of what they had to work with, they did an excellent job re-painting the entire school. They even did the GYM.

Our Basketball Team had its best year in school history as it easily won the City League Championship and qualified for the Eastern Mass. Tech Tourney. In the Tech Tourney at the Garden, we eliminated Bishop Stang in the first round and went on to upset Weymouth High School, the state's top seeded team with a record of 20 and 0, in the quarterfinals. In the semifinals, we fell to Somerville High School after putting on a great show. This was the first year a Boston School reached the Class A semifinals.

Our Swimming Team won the Eastern Mass. Title and finished fourth in the State Meet. As the school year comes to an end, we should find our Baseball Team right up on top too. A great year for all sports at English High School.

In April our school was evaluated by over thirty representatives from many schools in Massachusetts and New England. At the end of the four day evaluation period, we learned that no other school could match us in school spirit and in pupil-teacher relationship. Finding the school year coming to a close, we are now looking forward to being dismissed on May 15, our Senior Prom on May 24, and Graduation on June 12. It's been an exciting four years.

ALL OF US ARE PROUD TO BE GRADUATES OF THE ENGLISH HIGH SCHOOL. WE SHALL ALWAYS REMEMBER OUR FACULTY AND FRIENDS AS ALUMNI OF THE OLDEST PUBLIC HIGH SCHOOL IN AMERICA. WE SHALL NEVER FORGET THE FINE VIRTUES AND CUSTOMS THAT WE LEARNED AT ENGLISH HIGH SCHOOL.

### ROOM 101

Upon entering Rom 101 of the English High School, one may hear the following words being echoed throughout the room, "Hey Idiot . . . Do you want a ZOOPER?" These immortal words are often spoken by Mr. Peter Goerge, the Lord and Master of Room 101. A zooper is Mr. George's secret weapon that is feared by all. Seriously speaking now, Room 101 is the best room in the school. David Bernstein is the Room Representative and Secretary of the Student Council. Lester Bingham is the Athletic Captain who was a member of the basketball team. Our football team representative is Robert Bombardieri, who also tried in vain to sell tickets for the Fashion Show and to collect our class dues. Almost all the members of 101 are members of school clubs and committees.

We should also acknowledge that Mr. George is also in charge of the Math Team. All of us can't wait for the "B" schedule on Wednesday; that's the time when Mr. George leaves us under the care of Mr. Russell. You can count on many zoopers to be given out at the end of the day.

This is the homeroom so dear to Mr. Mullen that he calls it "A Bunch of Bums and Rattail Stinkers." The room captain is Tom Boyle, who is on the football team and the social committee, and the room councillor is Jim Carras, who is also on the executive committee. In the world of writing, there is Steve Burman, assistant editor of the Yearbook. Then in a field of his own there is no one else than Tom Cassidy, who not only caught a touchdown pass vs. Latin but also is on the Prom Committee and is the student governor from English High School. Burrell and Busiek run track, but Joe Cangeme won the Eastern Siberian Pole Vault Meet by upsetting the heavily favored Valery Brumel. Bill Cantin finally convinced Mr. Mullen that he should retire after the latter received an attache case from the homeroom for Christmas. Joe Butter finds out that he is out of the refrigerator and into the frying pan. To Mr. Mullen room one-hundred two leaves the everlasting memory of itself and Reg Cagle.

Well here we are in this chamber of learning which is surrounded by some of the most active members of our senior class. We have; Charter, our man in the keycage, with his trusty camera for the yearbook, Larry Collins, who's forever in 218A with Paul Lee Chin. For athletes we are proud of Jack Cusick, football team's best center, the Cooper boys who do more running for Mr. Sheridan than the Track Team. For a display of scholars we can't leave without a word for Danny Dallas. Our mild mannered colossus is none other than Mr. Sheridan, who's always trying to have us pay up our class dues. ### ROOM 104

104! Oh 104! What can be said about room 104 that doesn't speak for itself? This homeroom is definitely one of the most spirited ones in English High School. This room possesses such intelligent students as Dennis DiCarlo, Paul and Robert Feinberg, Mario Espinola, and Anthony Ferullo. Mike "rubber arm" Dempsey is the room captain and first baseman for the baseball team. Charles DelDotto is the room councillor and Co-Secretary of the Student Council. Then there is Leonard Deveau, manager of the football team, who takes his proud place in 104. Mr. Langley, the homeroom teacher, is our lord and master, when he stays in the room and has his disagreements with Mr. Creedon.

#### ROOM 107

Alas, the fleeing years. The curtain falls and soon our years of toil and fun, of learning and instruction will be over. We of 107 will not easily forget our senior year. From the first day, we came to realize that whatever had occurred in previous years would not occur again. For we were greeted by a most urbane, courtly, and gracious young man known as Mr. Willits. His opening day demeanor of good speaking and mannerisms set a fine example which his class has followed. The tranquillity and serenity that can be found during homeroom periods and "B" schedules is due to our affable homeroom advisor. James Gilchrist, President of the Student Council and Robert Flannery, room captain, have contributed much to their room throughout the year. The cosmopolitan appearance of 107 clearly demonstrates that only . . . "Human Power" rules. A highly cosmopolitan homeroom such as 107 is characteristic of English High School, but this room proves "amor omnia vincit."

#### ROOM 108

Look before you leap into room 108! Big Mo doesn't like strangers tampering with his PAYSANS. And he has good cause to worry, for within the confines of 108 reside many of the elite of the Class of 1967. Wearing white hats and silver spurs, Greg Hayes, Bob Heard, Chip Hoar, and Jeff Hynes are 108's representatives on the various championship athletic teams. J. C. Hurley managed the "English 5" right into the Tech Tourney. Politicians you ask? Robert "Chip" Hoar dons the costume of the Vice President of the Senior Class. Henry Hom is the Room Athletic Captain, while Alan Grover and Jon Hurwitz are Room Councillors. Writer?, Paul Hollum holds his own on the Blue and Blue Yearbook staff, while Stan Hurwitz's cartoons have brightened many editions of the EHS Record. You must admit that Big Mo is going to have a tough time replacing his star-studded homeroom class of 1967. You must! You must! You . . .

## ROOM 112

This is homeroom 112. Our room representative is Norman Knoff, a letterman in track. Our room captain is Stephen Kostopoulos. Some notable students are situated in 112. For instance, there is a retired veteran of the drill team, George Joe. Everytime there is a fire drill, he runs out of the room screaming, "The British are coming!" Larry Kennedy, Paul Kelly, Mark Kleinerman, and Norman Knoff are the chess sharks in 112. Then there is Earl Johnson, the clay pigeon of chess. Dennis Imondi and Richard Hynes are our representatives of the swimming team, which won the Eastern Mass. Championship. Steve Jenkins, who shook the hand of Steve Karthas and ruined his career as a pianist, is our only football representative. Our homeroom is stocked with two members of the National Honor Society, Mark Kesner and Stefano Keel. The master of 112 is Mr. McCarthy, who never forgets to say, "Check the deck." This means, of course, to clean the floor. This room has to be the best because it is made up of a great bunch of guys.

### ROOM 113

Room 113 is quite an illustrious room with two of the best high school football players in the state, Bob and Bill MacDonald who with spirit and determination ENGLISH HIGH SCHOOL became City Champs. On the political side, we have Louis Lunetta, Secretary of the Senior Class and room Counsellor. The intellectual side, we have that one and only, Yale Magrass who received an 800 in the Math level II College Boards, and who is a member of the English High Math Club. Also, we have John Lombardo, an outstanding member of the National Honor Society, and President of the English High Math Club. So you see that on all sides Room 113 is the best!

#### ROOM 117

This year 117 has the distinct honor of having the newest edition to the English High School Athletic Department as its homeroom teacher. We all know this individual is Mr. Dionisio, who has taken over the track team from Mr. Gillis. Besides the excellent guidance of Mr. Dionisio, 117 is also represented by "Weasel" Mitchell in the Student Council. Paul O'Malley is the room captain and also a football letterman. During the year we had to endure the humorous wits of Tommy Norton and "Sugar Bear" Nash, who seem to enlighten the long homeroom periods.

Mr. Joseph Sheehan

## ROOM 118

Under the direction of Mr. Sheehan and Mr. Green, our homeroom is conducted with an air of congeniality and understanding. It seems that there is a never-ending stream of messengers coming and going, and it seems that half of the boys in 118 are permanently stationed in room 218A. In the midst of this atmosphere, there is Gerard Renna, who continually tries to squeeze some funds from boys who have not yet paid their Class Dues. Some day Gerard will get his money.

One of the foremost members of the class is Floyd Priester, who is a star of the football team and the track team. Other outstanding members of the class include Dave Pickering, Jim O'Rourke, and Steve Penta, our Room Councilor.

The boys in 118 know that at any time they can receive some friendly advice from Mr. Sheehan, who is always concerned with the problems of the boys in his room.

# ROOM 119

In addition to being one of the bards of English High's literary circle and faculty adviser to the illustrious Record staff, Mr. Heins is the "Wyatt Earp of 119." Mr. Heins is "lightning quick" with witticisms and is able to sign a tardy card with one hand and snatch a newspaper with the other while telling one of the many English High men of honor and achievement to "pray be seated." It is irreputable that 119 is rich in scholars but its athletic strength is complimentary to its scholastic prowess; as illustrated by track men Michael Roane and Vincent Smith; soccer co-captain Chandan Roy; crewman Louis Russo; Neal Santangelo of the E.H.S. swimming team; and Fran Rynne, 119's answer to Jim Thorpe and Bob Richards, and member of the football and hockey teams and co-captain of the baseball team. "Aiding" Mr. Heins in the enforcement of law and order are Deputy Burns (the other homeroom teacher); room captain Rocco Scippa, who deserves the title of model pupil of the year, and room councillor Sterling Saunders.

### ROOM 217

Poor Mr. Creedon, at his wits' end, sets his swiftly graying head gingerly on the desk top. He muses: "The morning began well enough, but who flung those bread crumbs all over Mr. Kenney's desk top?" His first act each day is to coax Michael Marinucci down from his customary perch aloft one of the light fixtures and convince Ronald Marsilia to stop pummeling him. The only pleasure left to Mr. Creedon is Dick Martel, who is in the National Honor Society and is a staff member of the E.H.S. Record. Now, with liberal doses of flamboyant Italian curses, Mr. Kenney berates Donald Manozzi's chatter while Mr. Creedon is busy disentangling Pat McTomney and his newspaper. If Mr. Creedon could have gotten Bruce Mercer down from the wall in time, perhaps Tom McLeod wouldn't have been able to dismember Stephen McCallum. "Where's the aspirin?"

Mr. John Creedon

## ROOM 218

Despite Mr. Dennehy's gaunt spectral appearance at the front desk (doubtless due to arduous policing of "B" schedules), this year's 218 is very athletic-minded. Class President Mike Thomas captained our fearless football team, with Peter Toohey and Tony Sorressi bringing up the train of his billowing bridal sweatshirt . . . Mike Sullivan and Bob Sweeney skated into the room each morning looking for lost pucks . . . Captain John and Frank Sullivan were the only ones in the class to use starting blocks, leaving for first period . . . Completing the athletic aristocracy, Kenny Still, captain of our battling basketball team, dribbled in for an attendance check (in time with Ray Stunzenas' trumpeting with the band) and Bernie Tarpey was the only kid to have a private swimming pool in his homeroom. On the intellectual side of the ledger, there is Merit Scholar Joe "Brother" Thall, leader of the N.H.S., and Record editor Jeff Stern, who is responsible for those obscure quotations on the side blackboard every morning . . . And finally there is our haplessly "married" bachelor, Frank Tarantino.

## ROOM 219

Let me warn you now. Stay away from 219! Charley McGowan and his fighting horde are the kings of the second floor. With Andrew Vincent and "Golden Gloves" Billy Weeks representing us on the Student Council we get our say in. 219 is represented in other circles, too. Bob Walton, lead singer in the Glee Club; Charley Van Rossum, Executive Committee member, and Steve Welch, editor of our glorious yearbook. Each morning Mr. McGowan tries in vain to get an accurate attendance but with everyone going in and out he becomes frustrated. So at 2:45 there is often a list of students who were either walking or talking when they weren't supposed to. The Chess Team, under Mr. McGowan's leadership, often has visitors from 219. One big happy family! We bid farewell to Mr. McGowan and wish him the best of luck for next year's homeroom. He'll need it after losing us.

Well, here we are. Who else could it be. The 1967 Yearbook Staff has put together a book equalled by none. It's that good. Here's why — Steve Welch No. 1 ('nuff said); Steven Burman, assistant editor; and Dave Bernstein, associate editor. We have Bill Weeks (sports), Paul Hol-lum (biography editor), and Harvey Charter and Ken Price (photography). This staff deserves a lot of credit, working day and night, sacrificing lunches, and cutting classes to bring you the BEST. Take a look. Be proud — this is your class, your school, and this is YOU. Our staff has worked particularly hard to make this year meaningful to all in our class. We put out the football program for the English-Latin football game and have incorporated a year of our lives into one book, a symbol of what English High School is to us!

Each year the Art Team has been called upon for many assignments. Utilizing many talents, the team prepares posters, signs, covers, and paintings. These materials are used for school assemblies and Home and School functions. Other projects the team has undertaken are the production of home room signs, teacher's name tags for open house, and cheerleaders horns. The aim of the team is to promote the talents of young artists to a degree of perfection. With this, the Art Team hopes to use its talents for the betterment of the school. We would like to thank our adviser, Mr. Greyser, for his fine help.

# CHESS CLUB

The purpose of the English High School Chess Club is to help students develop appreciation for the ancient game. It was also founded to form a Chess Team to play against other high schools from the Greater Boston area.

This year, the club got off to a slow start as it lost its first two matches to Newton High and to Cambridge Latin School. The club and team should improve since each individual player is bound to improve as he gains more experience and knowledge of the game. Officers of the Chess Club are:

## SON CLUB

The Discussion Club meets every Monday under the direction of Mr. John Creedon. The club allows students to express their ideas on current politics and social affairs or any other topics of general interest. Its second function is to allow its members to represent the school at various conventions and gatherings.

Several topics that have aroused much student interest are Censorship in American Life, the War in Viet Nam, and the Penal System. The club also prepares the annual United Nations trip to New York which is sponsored by the History Department.

This year the club was able to attend a great many more gatherings due to the increased membership. As usual, the club will send representatives to the State Citizenship Conference at Boston State College, and the model U.N. of the World Affairs Council held annually at Boston College. Similar gatherings are being planned at Tufts, Harvard, and Brandeis, all of which members of the club will attend.

*Third Row (Left to Right):* L. Marshall, F. Sersanti, J. McCarthy, J. Viula, A. Nichols, S. Forman, P. Feinberg.

# COIN CLUB

The purpose of the Coin Club is to allow the student to discuss the hobby of coin-collecting and to hold coin auctions. The club has been very successful for the past four years, mostly due to the fine cooperation of Mr. Irving Krutter, our faculty adviser.

Topics at the meetings deal with all kinds of coins. At these meetings, the members discuss the value and history of coins. Students also prepare talks and exhibit their own collections. Much material is taken from the paper, *Numismatic News*, and from other magazines and articles. Each year the members attend a local Coin Auction and Show held at a Boston hotel.

*Third Row* (Left to Right): A. Palder, R. Swierk, P. McKenna, M. Froilan, G. Foley.

The purpose of the Drama Club is to provide its members with some experience in the different aspects of the theater. Some of the members will receive experience in acting and stage work while others will gain experience in directing and producing. Mr. Carignan, our faculty adviser, is teaching us the most important thing about drama, speaking before others.

Soon we shall put on a play in room 303 and still another is being formulated. This club has shown the school it is interested in putting on serious plays for the benefit of the student body.

# FUTURE BUSINESS LEADERS OF AMERICA

The F.B.L.A. gives its members a knowledge of what the business world is like and at the same time, it teaches them how to cope with the problems.

Under the direction of Mr. Gustin, the club has planned trips to the General Motors plant in Framingham, and also plans to attend a convention at the Prudential Center. The club is looking forward to another fine year.

The purpose of the English High School Glee Club is to give the performance of worthwhile music for the appreciation and enjoyment of both the performer and the audience. The development of a sense of dedication, and a suppression of self for the good of the group is also stressed. Also the development of an inner discipline through ensemble singing is an outward sign of spirit and ideal of the E.H.S. Glee Club.

This past school year, the club under the direction of Mr. William Conlon, has represented the school at many functions. Our Glee Club has performed at most of the school assemblies and Home and School functions. Last winter they performed at WHDH-TV and were the guest chorus at the Boston Public Schools Science Fair Awards last spring.

## ITS ACADEMIC

*Seated* (Left to Right): J. Lombardo, P. Cook, Mr. James Dougherty (Advisor), R. Martel, W. Weeks.

*Standing* (Left to Right): S. Hurwitz, J. Thall, D. Pickering, J. O'Rourke, S. Welch, G. Mahnke.

Early in November, English High was given the opportunity to participate in a television program consisting of inter-high school quiz competitions. A "brain team" of over twenty was selected to support English High, although only three would eventually emerge as the English High School team. Through exhausting eliminations, we came out with the top fifteen students in English High. Finally faculty advisor James Doherty picked three, three whom he thought most mutually supplementary. Amid much anxiety and tension, the morning of the taping finally arrived. The three team members, William Weeks, Richard Martel, and (a junior) Paul Cook, backed by alternates Geoffrey Stern, Joel Thall, and James O'Rourke, made ready to face Ashland High School and Matignon of Cambridge. Through a disastrous first few rounds, English looked as though a deep defeat would be her lot. But as the second half began English gained ground and at the end of regulation time was tied with Matignon. In the overtime, however, English answered a question falsely and Matignon beat us by a scant twenty points.

# MATH CLUB

The Math Club met every Wednesday morning during "B" Schedule this year under the guidance of Mr. Peter George. Accomplishments made by the club are the improvement of the student's fundamentals and the formation of a team that plays against other high schools in a league. Although the Math Team received a poor start this season, the members have not given up and are awaiting to play in more league competitions.

The Math Club also helps students to achieve better scores and results on both school tests and the SAT'S. The club's future now rests with the sophomore and junior boys who will make up the new club. These boys in turn will again compete against such schools as Boston Latin, Boston Tech, Brookline High, Newton High, Newton South, and many others.

The National Honor Society of English High School performs many important functions for the school and for the community. A Christmas party was held for the patients of the Children's Hospital last December. This program featured folk singing and the distribution of gifts to the children.

At school, the National Honor Society has organized a tutoring program open to all boys who desire help in any school subject. The Society would like to thank Mr. DiIeso for his fine help in making the NHS a great success.

The Record has enabled all English High School boys to participate in the field of journalism since 1885. The Record, unlike a school newspaper, stresses literature and poetry. However, sports and clubs are never left out from any edition. This year the Record, under the Editorship of Geoffrey Stern, has been entered into the Columbia Scholastic Press Awards.

The English High Science Club was formed to let the student acquire a better understanding in the field of science. Mr. Connolly and Mr. Murphy have donated much time and effort to carry out the aim of the club. This year the club has carried out many programs including the distribution of science projects, the showing of films, lectures on all parts of science, and experimentations on model rockets. The club's biggest project and most well-known was the school trip to Boston's Museum of Science.

# STAMP CLUB

The English High School finally welcomed the formation of a Stamp Club this year. The new club is run almost in the same manner as the Coin Club. As a matter of fact, much talk took place in the beginning of the year as to whether or not the two clubs should be combined. The final answer was no and Mr. Mosher offered his services as Faculty Advisor.

The club plans on attending stamp shows and forming a stamp library in the near future. At these meetings, the students are able to discuss and trade stamps among themselves. Much material is taken from stamp catalogs and magazines.

The English High School Student Council, which was founded in 1917, is probably one of the oldest school organizations in existence today. The aim of the Student Council is to help the school and its student body. It also has the authority to represent the school at various conventions and exchanges.

Meetings are held weekly in the Assembly Hall to discuss problems and gripes of the students. A suggestion box is always available into which any boy from the council may submit a suggestion. These suggestions are then acted upon by the Headmaster and Mr. Mosher, our Faculty Advisor. The Council is always notified of the decision. It was in this manner that the school was able to hold a Football Rally last November.

In March we held our annual Student Exchange with Norton High School. On part I of the program, we visited their school, toured their town, and attended a Town Meeting. On part II of the exchange, their group visited our school, toured the Boston area, and attended a meeting of the City Council. Many thanks to Mr. Mosher for his fine help in making this year's Student Council a big success.

Again this past year, the Drill Team put on a great showing at the English-Latin Football Game at Harvard Stadium. The team also covers all the school assemblies and Home and School functions. A parking patrol was formed this year to keep unauthorized cars from entering the parking lot where the teachers park. Last winter the team represented the school at the Music Teachers Convention at the Prudential. This year the Drill Team was awarded school sweaters for their fine work. Much thanks to Captain Fisher.

The English High School Band, along with the Drill Team, participated in the Thanksgiving Day Football Game at Harvard Stadium. The Band put on a wonderful showing as it played our Alma Mater and other selections at half-time. Performances were also made at the Boston Common Christmas Festival along with the Glee Club. The Band would like to thank Mr. Peter Siragusa for his patience and fine help.

## OFFICE AIDES

OFFICE AIDES

The purpose of the office aides is to assist the regular office staff in performing the many duties entailed in running an efficient school office. Mrs. Barbara Ferri, one of the school's secretaries, is in charge of the large group of boys. These boys act as messengers, answer phones, file records, and greet visitors to the school. More important, is the knowledge the student learns about office procedure by working in one. By performing these chores, more time is given to the regular office staff to do more important things.

## LIBRARY AIDES

LIBRARY AIDES

The function of the Library Aides is to help the Librarian maintain the school library. These aides help Mrs. Kelley file new books, which have to be marked and catalogued before they are put on the shelves. One can see how long it would take to perform this chore when a new shipment of books arrive. The boys also return books to their right shelves, and thus they receive valuable knowledge of how to run an efficient school library.

# UNITED NATIONS TRIP

On Friday, November 25, a "small" group of fifty-four students and six members of the faculty embarked on the annual E.H.S. Trip to the United Nations. The group consisted of 30 Seniors, 18 Juniors, and 6 Sophomores. We were to be carefully watched by the following members of the History Department: Messrs; Creedon, Doherty, Mosher, Sheridan, DiGirolamo, and Carignan.

At 9:00 a.m. we boarded our special reserved car at South Station ready to begin our journey. We arrived at New York's Grand Central Station at approximately 1:20 p.m., and we immediately proceeded down 42nd Street to 1st Avenue; we finally made it to the U.N. Arriving at the building, we were split into six smaller groups headed by the teachers. Our guides then joined us and took us on an hour's tour of the Security Council, Trusteeship Council, Social and Economic Council, and then to the General Assembly, where the tour ended. Later that afternoon, we met with Mr. Lin Mous Heng of the Republic of China. A question and answer period followed his lecture.

We then left the U.N. Building and headed for Mama Leone's where we had reservations to eat our supper. Boy! Were we hungry! Because it took so long eating there, we had to arrange for a later train out of New York. Most of the boys hurried to call their parents to tell them that we wouldn't arrive in Boston until 2:00 in the morning. The general reaction of the group was, "Sir, can we do it again next week?"

## ENGLISH VS B. C. HIGH

In the first quarter English stunned the Eagles

*English moves in for the kill*

with two first play touchdowns. English recovered the ball on a fumble by the Eagles on the opening kick-off. On the first play, Mike Thomas sent Floyd Priester off tackle for 27 yards and a T.D.

English kicked off and again recovered a B.C. fumble. On the first play, Mike Thomas threw a 30 yard pass to Floyd Priester, who gathered it in for another six points.

In the second quarter, Mike Thomas ran 57 yards to a touchdown. It was a great run and Frank Williams threw a key block downfield.

B.C. was forced to give up the ball once more, and English again had a drive going for them. The Blue and Blue drove down to the B.C. High one yard line. From there Mike Thomas took it over for his second touchdown of the day and a 24-0 lead for English.

The second half saw English contain the Eagles and play a beautiful defensive game.

There was no scoring during the last half, and the game ended with an English victory 24-0.

The outstanding player of this game was Bill MacDonald, who played his best game of the season, intercepting one pass which led to an English touchdown and making tackles all through the game. Also putting out great games were Mike Thomas, Bob MacDonald, Jack Cusick, Tom Boyle, Floyd Priester, and Jim Ricci.

## ENGLISH VS GROTON

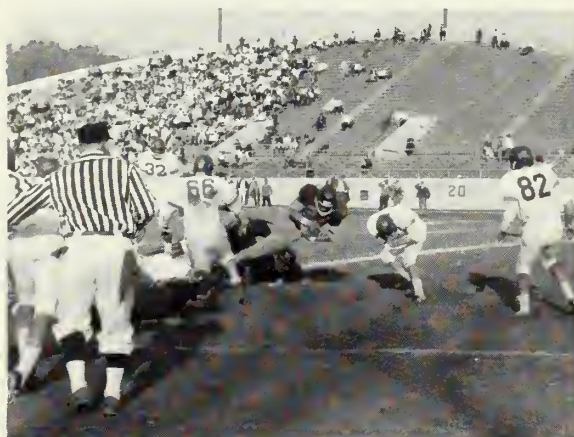

English followed up with a lop-sided win over the strong Groton football team. The Groton team was no match for the mighty Blue and Blue team. The game started, then after a few plays Mike Thomas scrambled 68 yards for the touchdown of the year. Jim Ricci also helped the Blue

and Blue as he barrelled over the goal line for two conversions and a touchdown. The English defense continued to overwhelm the Groton attacks, and our offense rolled up more points on a run by Larry Karalexis and a tremendous catch by Frank Williams, who was triple-teamed. Tom Cassidy also kicked two extra points. Near the end of the fourth quarter, Phil Thompson picked off a Groton pass and scampered 42 yards to paydirt, to end the scoring spree for the mighty Blue and Blue. The final score was English 36, Groton 0. Excelling on defense were Bob and Bill MacDonald, Tom Boyle, Bill Parkman and Moose O'Malley.

## ENGLISH HIGH VS CAMBRIDGE LATIN

Cambridge Latin felt the wrath of the Mighty E as they were trounced 27-0. The passing arm of Mike Thomas was in good condition as he passed for one T.D. and set up other scores with his pin-point accuracy. Floyd Priester had a good game as he crossed the goal line twice. Tom Cassidy also scored once on a great one-handed catch in the End Zone. He also kicked three conversions to add to his total number of points. The first quarter was all English, even though we did not score, but the Blue had a drive going on at the beginning of the second quarter. Floyd Priester took the ball over for the first score. Thomas soon followed when Bill MacDonald recovered a Latin fumble. Mike made good on a 25 yard run. Tom Cassidy made the point after. The English wall stopped the Latin eleven once more and the offense took over the ball again. Floyd Priester again showed his stuff as he crashed through for six points. Tom Cassidy (Mr. Automatic) kicked the point after, and English led at the half time 20-0.

There was no scoring in the third quarter. English, however, dominated the play and Tom Cassidy just missed on a field goal. The fourth

*Floyd — up and in*

quarter started off with the English line stopping the Cambridge attack and by this time, Cambridge was looking mighty beat. A few minutes before the end of the game, sure-shot Mike Thomas threw a bomb to Tom Cassidy, who made a tremendous one-handed catch. Tom then made the one point conversion and English had a 27-0 lead. The game ended with the same score and English still had a perfect record: unbeaten, untied, unscored upon.

Standouts for the game were Tom Cassidy, Floyd Priester, Mike Thomas, Jack Cusick, Bill Parkman, Bob MacDonald, Larry Karalexis, and Steve Jenkins.

### TECH BURIED ALIVE

Tech was crushed under a landslide of English scoring which mushroomed from a 6 point lead at the outset to a 42 point stretch at the finish. The double blue began its romp early in the first quarter with a touchdown by speedy Jim Ricci, and later Floyd Priester scored easily after English recovered a clumsy Tech fumble on Tech's five yard line. The tempo of the game picked up so fast that even some of the third team was able to play.

In the beginning of the second quarter, Floyd Priester came through again on a 35 yard bomb by star quarterback Mike Thomas. After a slight setback in the third quarter on a couple of fumbles and the loss of two touchdowns on penalties, English shot back with Jim Ricci receiving a touchdown pass from Mike Thomas and with Tom Cassidy kicking his first of four points-after in the game. Halfback Greg Hayes followed through with a touchdown, setting up Tom Cassidy for another point-after. Pete Touhey squelched any of Tech's scoring hopes in this period by flattening Tech's halfback in the end zone for a touchback.

*Mr. Automatic gets another one*

*Priester — off on a galavant*

The only points scored in the last quarter were Fran Rynne's 55 yard T.D. run and kicker Cassidy's coupe de grace.

Tremendous efforts were put in by Tackle Steve Jenkins, Frank Williams, Tom Cassidy and Peter Toohey and big Bob MacDonald.

### ENGLISH VS CATHOLIC MEMORIAL

Finally it happened. The Blue and Blue was held to a zero, zero tie. Bad weather and field conditions hampered our running and passing game. Catholic Memorial came into the game with a strong offense and defense, really looking for a victory or even a score against our mighty team. However, the Blue and Blue's defense came through when we really needed them and warded off all the attempts of Catholic Memorial. Our offense also played good ball but just could not get those points on the score board. Fine performances were accredited to Mike Thomas, Jim Ricci, and Floyd Priester. Fumbles, however, kept the Double Blue from scoring and was the major factor in a zero to zero tie. Leading the big Blue and Blue defense were Paul O'Malley, Tom Boyle, Bill Parkman and the ever present MacDonalds incorporated.

### ENGLISH VS RINDGE TECH

The English Eleven ran into an eager and fast Rindge Tech. The Rindge Tech defense stopped the Blue and Blue advances time after time. The Tech offense quickly opened the game when half-

*T.D.!*

*Big Mac!*

way into the first quarter, they had fourth down and twenty yards to go and sent in a tackle eligible play and went all the way. Disbelief and dismay filled White Stadium as the Blue and Blue goal line was crossed for the first time all season. The Rindge Tech team continued to stop our offense, and almost went all the way on a recovered fumble. The second half started out in the same manner, with both teams playing hard and fierce. The English defense led by the two MacDonald brothers — Bob and Bill — Bill Parkman, Mike Thomas, and Jack Cusick contained the Rindge Tech speed and finally the tide began to turn in favor of English.

Just before the third quarter ended, powerful back, Jim Ricci, set up an E.H.S. touchdown with a great 70 yard run. A few plays later the score was tied.

The English defense held the Tech assault once more and gave E.H.S. another chance at scoring. Again, Thomas led his team to the score and took the English lead for good. English scored once more before the game ended. The final score was English 19, Rindge Tech, 6.

Mike Thomas led the team and was in command all the time with his great passing and running ability. Bob MacDonald and his brother Bill, together with Steve Jenkins, Moose O'Malley and Bill Parkman held the line for the Blue and Blue. Floyd Priester, Jim Ricci, Tom Cassidy and Frank Williams were the offensive players who stood out in the game.

#### ENGLISH VS EAST BOSTON

East Boston, looking for an upset over the mighty Blue and Blue, got buried under an avalanche of forty-one points. East Boston won the toss and elected to receive. Larry Karalexis boomed the pigskin to East Boston's five yard line. East Boston could not get anywhere and was forced to kick. English got the ball on East Boston's 37 yard line. Priester ground out a first down against the weak East Boston line. Then Little Larry Karalexis, after doing some fine broken field running, got down to East Boston's one yard line. On the next play, he went in for the touchdown and Tom Cassidy kicked the extra point.

Then English kicked to East Boston, and they were thrown for four and twelve yard losses, and were forced to punt; but big Bob MacDonald blocked the kick and alert Paul O'Malley recovered it. Then Bob Aldridge burst through the East Boston line and gained eight yards before being hauled down. On the next play, Aldridge carried, but being too quick for any East Boston defender, got a touchdown.

East Boston got the ball only to punt it back

over to English. Priester went 30 yards to set up a touchdown run by Mike Thomas. The two point conversion was good and at the end of the quarter the score was E.H.S., 21, E.B., 0.

The second quarter was scoreless as English maintained complete domination of the ball. A touchdown by Jack Burns was called back because of an offside penalty against English. The third quarter saw Mike Thomas sending Larry Karalexis for a thirty-three yard run and six points.

In the last period, the English Blue drove down the field and were once again knocking on East Boston's door. Key runs by Jim Ricci and Floyd Priester set up Mike Thomas' second T.D. run of the game. The two point conversion was good and English led 28-0. The team from Nodler's Island again received the ball, and could not budge the Blue and Blue forward wall of the MacDonalds, Cusick, etc. English had the ball on their own 42 when Phil Thompson sent Gregory Hayes all the way on a beautiful down and out pace pattern. The conversion was not made.

East Boston was given one more chance to prove themselves against the Mighty English defense. East Boston was not up to it, and Jack Burns intercepted a desperation pass to end the game with English on top, 41-0.

MacDonald, Jack Burns, Larry Karalexis, Mike Thomas, Steve Jenkins, and Jim Ricci were outstanding players in the game. Bob MacDonald looked like a good shot for All-Scholastic honors this year. His brother, Bill, and Mike Thomas seemed also to have good chances for this high achievement.

## ENGLISH VS LATIN

The 80th Annual Classic of the oldest school-boy football rivalry in the nation was played before a packed house of 27,000 fans at ancient Harvard Stadium. With the series deadlocked — 33 wins for both schools — along with 13 ties. Both the teams took to the field hoping they could bring home victory and go ahead in the series.

Victory was not the *only* reward THE GAME would decide — the city championship was at stake!

### First Half

Latin won the toss and elected to receive. On the second offensive play from scrimmage, Latin's Scotty Guild, on a power sweep, swept around the right side for a 68 yard touch down. This play completely shocked the English team and everyone in the stadium. English's powerful defense stopped the conversion attempt. The Blue and Blue started to mount an offensive drive, but

# ENGLISH vs LATIN

## 80th ANNUAL CLASSIC

poor blocking stymied our attack. The Blue and Blue punted to Latin, the punt was returned by the purple's Scotty Guild, who almost went all the way. The English defense started to bear down, but again Latin was not to be denied. Using their blockers effectively, the purple backs found holes in the English defense. On a delayed fake, halfback Frank Mucci, swept around the right side for a 36 yard touchdown run. The attempt for the conversion was blocked. It looked like a long afternoon for the Blue and Blue.

First Period Score — Latin 12 - English 0

In the second period things started to click for the Blue and Blue. Using effective drive plays, mixed with inside traps, English moved towards the Latin goal line.

Jim Ricci broke over left tackle, 20 yards to the Latin 6 yard line. Ricci again carried to the 1 yard line. Quarterback Mike Thomas sneaked over from the 1 yard line — it was our first score of the day. Thomas threw to halfback Floyd Priester for the 2 point conversion.

Latin 12, English 8

Midway thru the 2nd period, Latin again started to drive, on a sweep around right end Lincoln Pope was dragged down from behind on a fine play by Frank Williams. Using an effective running game, the powerful English offense started to move, with an occasional pass to keep the Purple defense honest. The Blue

*SRO!!!*

and Blue scored, when fullback Jim Ricci burst across the Latin goal line. The conversion failed.

English 14, Latin 12

Now trailing in the game, Latin took to the air, but could not connect with their passes. With less than two minutes to go in the 1st half, QB

Mike Thomas dropped back and fired a 78 yard touchdown pass to the end, Tom Cassidy, who made a good catch and avoided the Latin secondary. The conversion failed. At half-time —English 20, Latin 12.

#### Second Half

The third period was a hard fought defensive struggle. The front line of the Blue and Blue, led by Bob and Bill MacDonald, with Moose O'Malley and Steve Jenkins, completely throttled any Latin advance. Surprisingly, the Latin defense was holding on. Each team knew that victory was the only concern. Hurt by penalties, the English offense could not penetrate the Purple goal. Add to this, our fine signal caller, Mike Thomas, was slightly injured midway through the 3rd period. However, Thomas soon returned to direct the English eleven. As the 3rd period came to an end, everybody in the stadium knew that the game was far from over.

*Where did you say my girl is?*

End of 3rd Period — English 20, Latin 12

As the final period began, the Blue started to move towards the Purple goal, but fumbles soon foiled our attack. Latin could not seem to muster an assault as the Blue and Blue pushed back any

*English's first touchdown*

Latin attempt for a score. Co-captain Jack Cusick was playing a fine all around game, setting up the defenses that contained Latin.

Then disbelief struck the Blue and Blue. Purple halfback Pope, took a short screen pass, then seemed trapped, but with a sudden burst of speed reversed his field and swept down the sidelines for a T.D. English now led by only two points. Latin decided to try for the equalizer, again the call went to Pope. He bolted into the Blue and Blue line, but big Bob MacDonald responded, and with a tremendous crash, he threw back the Latin runner and the lead was preserved.

As time was running out for Latin, the Blue and Blue used their strong running game effectively. Forced with a fourth down, Mike Thomas punted deep into the Purple territory. Three minutes now remained. The Latin QB now took to the air and moved the ball across midfield; a few plays later, Latin was thirty yards away from the Blue and Blue goal. With first down, the Latin QB dropped back to pass; the English defense blitzed their entire line, Frank Williams got to the Purple QB first and with a bruising tackle forced him to fumble the ball, which was quickly recovered by Peter Toohey for the Blue and Blue. The clock was the only thing that now stood between victory and defeat. The Blue and Blue stuck to the ground, and as time ran out the 80th classic came to a memorable finale. With this victory, the powerful English eleven ended the season 'undefeated'.

THE AWSOME BLUE AND BLUE FRONT WALL

CONGRATULATIONS

Congratulations to coach Bill Stewart and his assistants, Joe King and John Doherty, who did fine work in molding together a championship team. Also, congratulations to the team; especially Seniors: Bob and Bill MacDonald, co-captains Jack Cusick and Mike Thomas, tackles Steve Jenkins, Bob Bombardieri, Tony Sorressi, and Moose O'Malley; Guards Bill Parkman and Tom Boyle; the Ends, Tom Cassidy, Pete Toohey, Frank Williams, and Fran Rynne; and to Backs, Floyd Priester, Don Yee, and Jim Ricci, who brought to our school one of the best teams ever.

## CITY CHAMPS

### ENGLISH 60, NORTH QUINCY 55

E.H.S. got a good taste of victory when it defeated the Red Raiders from North Quincy. After the first half of the play, it didn't look too good for E.H.S. 23, and North Quincy 30. The Blue and Blue finally caught them in the last quarter with a few minutes left to win the game. The fine scoring of Dennis Herndon and good defensive play of Kenneth Still made this an excellent game to watch. Tyrone Wallace, Darrel Wells and Reginald Byrd should also be given a lot of credit.

### ENGLISH 62, NORTH QUINCY 64

It was a real heartbreaker when English lost to North Quincy, by a mere two points. The ab-

sence of Darrel Wells and Tyrone Wallace was felt by the team. Dennis Herndon was high scorer with thirty points and Kenneth Still plus Owen Wells had eleven points.

### ENGLISH 79, DORCHESTER 75

English opened her City League schedule with a tight game against Dorchester, which was unpredictable, as usual. After the first half of play it was E.H.S. 41, Dorchester 29. In the third and fourth quarters English found herself in trouble, as the Dorchester defense held her to 31 points. The Dorchester offense scored 46 points, which almost upset the Blue and Blue. Darrel Wells, high scorer of this game, had a grand total of 20 points. Not far behind were Dennis Herndon with 19 points, and Tyrone Wallace with 18

points.

#### ENGLISH 80, B.C. HIGH 60

The Eaglets from B.C. High stumped the orthodox playing of the Blue and Blue in the first quarter by their tight defense. English finally found a gap in their defense and started to catch up to them. By the first half, English managed to tie the score, 41 to 41. After a long discussion in the dressing room, the Blue and Blue came on the court prepared. The excellent defensive play of Captain Kenneth Still, who drew eleven fouls and scored twenty-six points, led the team to a sweeping victory.

*Ty with the rebound*

#### ENGLISH 100, TRADE 46

E.H.S. played one of her finest games, as she trounced all over the Trade defense. Reginald Byrd flew from basket to basket, and scored twenty-two points, the best game he had yet played. Dennis Herndon had three bad quarters, but finally came through in the last quarter by netting 14 points to give him a total of 26 points. The rest of the team gave a good display of fine basketball.

*Loose ball!*

#### ENGLISH 69, TECHNICAL 55

The strong Technical team was shown to be weak, since the E.H.S. kept the lead all the way through the game. The "Big Five", from English maintained a healthy lead at the half, with a score of 39 to 28, and finally won a tremendous victory by finishing 69 to 55. The outstanding playing of Tyrone Wallace, Kenneth Still, Reginald Byrd, and Dennis Herndon with 19, 17, 12, and 11 points respectively, won the game. This game was probably the first sign of a City League Championship for E.H.S.

*Kenny — still stealing the ball*

*Two points!*

#### ENGLISH 63, LATIN 61

The traditional game at the half way mark of the City League was a real thriller. As the Purple held the lead throughout the game, the Blue and Blue knew that they were in for trouble and had a decisive battle on their hands. In the last quarter there was a tie score of 53 to 53, and this meant an overtime play. The first overtime didn't accomplish anything as it was still tied 57 to 57. The last seconds of the second overtime were exciting, as the Blue and Blue scored and

*You've got to go where?  
Darrell!!!*

won the game. The hero of this game was Reginald Byrd, who scored the last basket and had an overall of 16 points; and Dennis Herndon, who had 26 points.

#### ENGLISH 80, DORCHESTER 53

Once again Dorchester gave English a fine victory. As the whole team rallied to an easy score, which was doubtful at the half with E.H.S. 27 and Dorchester 26. The remaining two quarters turned out to be a nightmare for the Dorchester team. The whole English team rallied with great confidence for a final win of 80 to 53. Captain Kenneth Still, with 22 points, led the way; Reginald Byrd had 20 points.

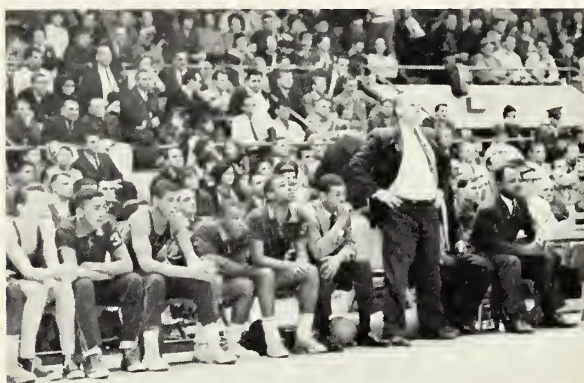

#### ENGLISH 77, B.C. HIGH 46

Remembering the last game, B.C. High held a tight defense at the first half by keeping the score E.H.S. 28 and B.C. High 27. In the last two quarters B.C. went to pieces and gave a final score to English 77 to their 46. Kenneth Still and Reginald Byrd, two good defensive players, stole the ball three or four times each to make the lay-ups. This raised the team's hopes of competing in the State Basketball Tournament.

E.H.S. 64, TECH 72

Our only defeat in City League play was at the hands of a strong Tech team. Their shooting, led by Smith, turned the Blue and Blue tide back for the first time.

English had four men in double figures. Kenny Still and Reggie Bird each had 16, with Dennis Herndon and Ty Wallace hitting for 11 and 10 points respectively.

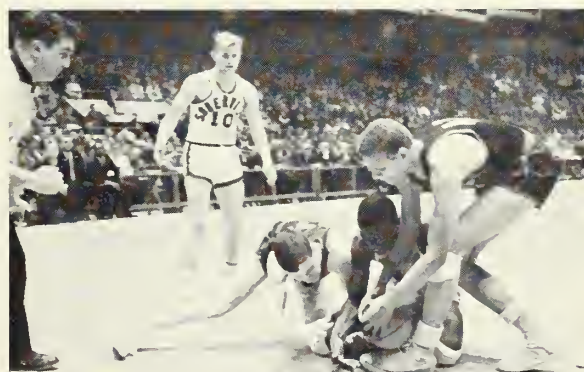

*I'm K-I-N-G of this court!*

ENGLISH 82, LATIN 71

Latin again ran into a stone wall as they tried to topple the English five. Sharpshooting by Kenny Still and Dennis Herndon, teamed up with the defense of Reggie Bird and Darrell Wells kept Latin in their place. All five starters scored in the double figures. This indicates the all-around ability of every player for the mighty E.H.S.

E.H.S. 101, TRADE 79

For the second time this season, English poured in over 100 points against Trade. English could not seem to miss and with this decisive victory, wrapped up the City League Championship. English then aimed for the City-wide Championship.

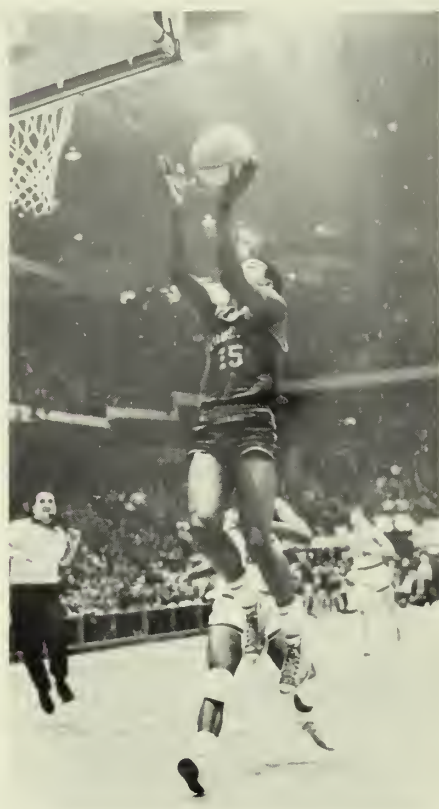

*Scramble!!*

## TECH TOURNEY

### ENGLISH 75, BISHOP STANG 57

In the first game of the Tech tourney, English came on strong and trounced Bishop Stang soundly. The defensive maneuvers and the outside shooting of the Blue and Blue were too much for the supposedly powerful B.S.

It looked as if English would be the spoilers of the tourney.

*Dennis make it good*

### ENGLISH 72, WEYMOUTH 64

#### Quarter Finals

The spoiler was at it again. The Blue and Blue toppled top-seeded Weymouth in one of the biggest upsets in tourney history.

Our boys capitalized on Weymouth's mistakes and had a hot hand. The high scorers for the Big E. were Ken Still, 22, Reggie Bird, 22, and Dennis Herndon, 15.

### ENGLISH 54, SOMERVILLE 64

#### (Semi-Finals)

The last game saw a fighting English team go down to defeat before a strong Somerville. The breaks seemed to go against us and we never could get a sustained rally going. It was a heart breaker, but our boys still played great ball and kept all the English rooters on their feet.

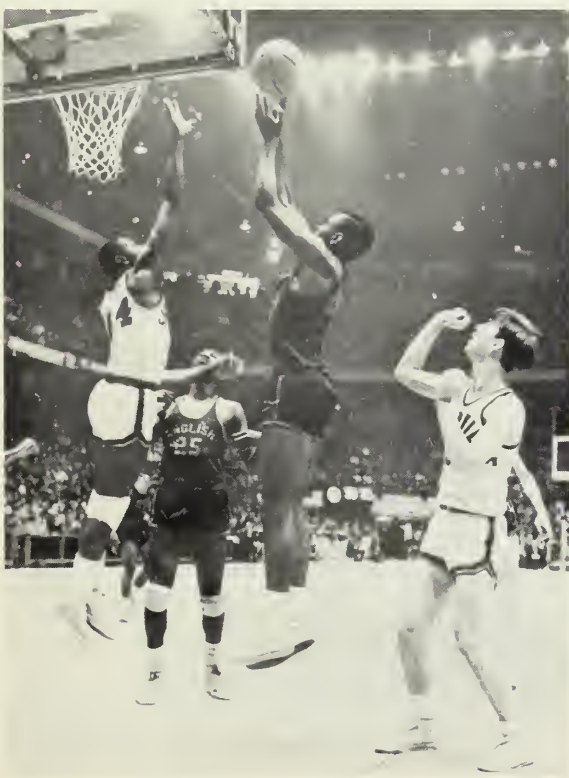

### ENGLISH 71, HYDE PARK 76

#### City-wide Championship

In this game, English could not seem to cope with the fast break of Hyde Park. The opening minutes of the game decided the game when Hyde Park roared off with a 20 to 3 lead. English tried to catch up with a great last half but Hyde Park withstood the threat. Dennis Herndon's 26 points almost pulled it out.

*Kenny with the lay-up!*

*Swish!!*

## 1966-67 SWIMMING SEASON

The 1966-67 season was a most successful one for the Bule & Blue mermen. This signaled the return of E.H.S. to the top of the aquatic ladder. English went undefeated in the Eastern Mass. League and set a new team point record in the Eastern Mass. Championship meet.

Top point scorers for the team were senior co-captain Dennis Imondi; juniors Norman Richard and George Krasowski and freshman James Richard.

The team featured depth and flexibility, and fortunately, youth. It appears as though English will remain strong for the next few years. English High set two new records, finishing fourth in the state. Dennis Imondi set a record in the 100 yard

backstroke and the freestyle relay of Norman Richard, James Richard, co-capt. Bernard Tarpey, and Dennis Imondi shattered the old state record.

Contributing strongly to the successful season were seniors, James O'Rourke, (breaststroke). Frank Sullivan (freestyle), Neal Santangelo (manager), sophomores Mark Devin (diver). Mark Delano (freestyle), David Boudreau (freestyle), Michael McMasters (all strokes), Thomas Whelton (breaststroke), freshman Paul Duffy (distance freestyle), John Bishop (butterfly) Joe Gallagher, (diving).

We wish to extend our thanks to our coaches, Mr. John Doherty and Mr. Daniel Tarpey, for the dedication and inspiration which made the season a rewarding one.

## E.H.S. 3, TRADE 0

In the opener of the 1967 hockey season, English engulfed the men of Boston Trade 3-0. The game was close in the first period when E.H.S. scored only one goal. The second period came as a surprise to the skaters of E.H.S., because they were pressed by Trade in the first 4 minutes. Opening up for the rest of the period, the team scored only one goal. Good hustle by the whole team in the 3rd period gave way to another goal and a fine finish. Scorers for the Blue and Blue were Jay Dun, Rich Hart, and "Chip" Hoar. A good game was turned in by Mike Sullivan in the nets.

## E.H.S. 1, B.C.H. 4

Dismay hit the Blue and Blue as they faced

potent BC High with seven ineligible players. Two of the starters were gone from the team plus much of the depth. In the opening period the BC team overwhelmed the Blue and Blue to the sound of three goals. The second period came as a surprise to the Eagles as the E.H.S. skaters came roaring back. A goal netted by Boy Sweeney cut the BC lead to two goals. The Blue and Blue went into the dressing room with the determined attitude of great selfpride. The crowd cheered the Blue and Blue as they came on the ice for the start of the 3rd period. Again as in the first period the Blue and Blue skaters seemed to go into a trance when the Eagles undermined the spirit of the Blue and Blue and scored again in the first two minutes of the period. BC dominated the play and came out on top 4-1.

## E.H.S 0, TECH 2

E.H.S. coming from a loss to BCH was flying high for the game with the Technicians. The opening period was the best of the season for the Blue and Blue. The skaters really hustled and outplayed Tech. The scoreless period was studied by many spectacular saves by goalie Mike Sullivan. In the second period the light went on for the Technicians. They overpowered the E.H.S. skaters and popped one in on Sully. Luck wasn't with E.H.S. skaters because in the 3rd a Tech goal dribbled over Sullivan's leg and went

*Sully makes the save*

in. As understandable, Mike Sullivan stood out as he foiled the Tech attack time and time again.

## E.H.S. 6, DOT. 0

In this second meeting of the two schools, E.H.S. overwhelmed the Dorchester skaters with an intensified barrage of shots. "Chip" Hoar came through with five goals and with good effort by the whole team. The five goals by Hoar were the highest for him in his four year span at E.H.S. A good effort by Glennon and Hart kept the Dorchester skaters out of the Blue and Blue zone. Mike Sullivan turned in a fine job with the nets.

## E.H.S. 2, B.C.H. 4

The E.H.S. skaters could not overcome the three goal first period by the Eagles. The Eagles got three quickies on Sully from close in, and

this dropped the morale of the whole team. A hard fight in the second period, with goals by Glennon and Sweeney, put the Blue and Blue within reach and in fine spirit between the 2nd and 3rd periods. Coming out with a big head of steam, the E.H.S. was gased out as Bob Muse of B.C.H. scored on a 20 foot back-hander over Mike Sullivan's shoulders.

## E.H.S. 1, TECH 4

Nothing could help the Blue and Blue skaters as they were down in the depths from the beginning. A quick goal by Tech put the mood of this sport into a sizzle. The Blue and Blue could not overcome the fast skating Technicians, and they looked very clumsy as Tech got two fast breaks resulting in one goal. The Blue and Blue came alive in the 3rd period, getting a quick goal on a 60 footer by John Glennon. Determination

*Jay Dunn splits the defense*

*Chisolm and Cusack double up*

gave Tech this win as they easily scored a nice play on which Sullivan had no chance.

#### E.H.S. 0, TRADE 2

The Blue and Blue faced a gruelling defeat at the hands of the men from Trade. It was a hard-fought battle in the first period which ended in 0-0. Then came the terrible 2nd period in which E.H.S. skaters were literally outthrustled by the usually slow Trade skaters. This hustle by Trade resulted in two goals as the period came to a close. A fight almost resulted, but order was quickly restored by the referees. E.H.S. was downhearted coming out on the ice for the 3rd period. The Trade goalie held the Blue and Blue to nothing in the 3rd as did Sullivan for E.H.S. The two goals by Trade in the second period were enough to give them a win over the Blue and Blue.

#### E.H.S. 2, B.C.H. 3

The E.H.S. skaters came out with determination in their eyes as this was the last meeting between the two teams. E.H.S. scored first on a pretty goal by Wally Cusack on a tip-in of a Glennon shot. BC came up with a quick one that caught Sully down and out. The period also ended in a tie 2-2 as each team scored a goal. Sweeney netted a pretty goal to the right corner of the BC net. The Eagles also scored a goal in the 2nd period. The third period was hard-fought, and Blue and Blue Sullivan held off the attempts by the Eagles only to have them score with only a minute and a half left in the game. Fine goal tending by Sully and fine defense by Glennon stood out throughout the game.

#### E.H.S. 1, LATIN 1

The Blue and Blue, and the Purple and White

skaters fought a dramatic duel to a 1-1 tie on this vacation day game. The initial stanza started out at a slow pace and built up to a red hot fight at the end. Bob Sweeney and "Chip" Hoar played this whole first period without stopping. As the second started, the Purple was short a man in the penalty box and Jay Dunn came through with a goal for E.H.S. The two teams fought hard during the rest of the period, only to have Latin score with just 2 seconds left on the clock. Both teams came on with fight in their eyes at the start of the third period. Mike Sullivan came through with some lucky saves and saved the game for the Blue and Blue.

We would like to express our gratitude to coach Bill Stewart and to all the team members who put so much into the team this year. Though they didn't have one of the best teams ever, they made up for it in determination, desire, and all around team spirit.

This year's Soccer Team, as in past years, had the international flavor of the boys who played the game in their native countries. The team won special recognition in the *Boston Globe*, and no wonder with a record of 12-0-1. Mr. Russell Langley is the coach, and these boys certainly poured all their enthusiasm into the sport.

Those skeptics who believe the United Nations will never pull together apparently have never heard about the Boston English High School soccer team.

There are 20 players on the English soccer squad winner of the Boston Soccer Open Cup, and only two are American-born lads.

The other boys on the team — many of whom have been living in the United States for less than five years — represent the flags of many nations — Argentina, Brazil, Italy, Portugal, Greece, Poland, Belgium, Germany, India, Hong Kong, Honduras, Jamaica, British West Indies.

But when it comes to soccer, they all talk the same language.

This is underscored by the fact that Boston English's informal team — the Boston school system plans to start a soccer program officially next season — has a composite record of 11-0-1 for its

Fall and Spring schedules.

While going undefeated through 12 games, English outscored the opposition, 59 goals to 11. Rivals included Latin, Wentworth, Commonwealth, UMass, Frosh-Sophomores, Tech, A scoreless tie with Wentworth, a team it defeated earlier in the Fall, 4-2, is the only blot on English's otherwise perfect record.

And it just happens that John Pereria, the team captain who comes from Portugal, is top scorer for the second straight year. He booted in 21 goals in this, his senior year, and had 15 as a junior. He plays center forward.

Pereria (5-8 135) is followed in the team scoring by left inside forward Angelo Palermo, Italy, with 14 goals and right inside forward Nick Hahalis, Greece, with 9.

At the near conclusion of soccer play, English was coached on an informal non-salaried basis by Tom Davis, a Harvard student who had some previous soccer background during private school days.

A big assist also goes to Max Baldia, a former English soccer player, now enrolled at the University of Massachusetts. Baldia helped to organize English's schedule.

# CROSS COUNTRY

## CROSS-COUNTRY

### 1966 Fall Season

This year our Cross-Country team got off to a good start. We had what appeared to be a winning team and we were looking ahead to the ensuing season. With seniors such as the two Cooper brothers and John Sullivan, along with Bill Busiek back on the team, we felt pretty strong. Besides these seniors, there were many new boys who ran for the school and did quite well.

As the team progressed, injuries and sickness took their toll on the team, but the runners' spirits weren't dampened. Nor were our boys' spirits dampened as we lost all but one meet. The boys put up a good fight at every meet and no race was lost without the other team finding out that it had to use everything to win. At the City Meet and the Regional Meet our team took a third place by losing to Latin by just a couple of points. However, we made up for these losses at the State Meet in which all of our boys did quite well.

Though the Cross-Country season wasn't what we hoped it would be, the team should be praised for the fine efforts it made in order to bring glory to our school. The seniors can leave the school with thoughts that they did their best to help the team for which they cared so much.

# INDOOR TRACK

This season our team looked real good. We had many lettermen back with us, and we had quite a number of new boys who seemed to be promising runners. Under the direction of Mr. DiOnisio, our new coach, everyone worked hard and we felt as though we could beat any rival we came up against at the meets. Unfortunately, a lack of boys competing in some field events set the team back in the meets and we had a hard time to grab any victories.

To say nothing of the field events problem, there was the old problem of injuries that plagued the team. However, in spite of these two troublesome matters, it can be said that our boys put up a valiant fight to win each and every meet.

Some of the seniors who were backing the team were the two Cooper brothers, Greg Hayes, our team captain, Jim Fripp, John Sullivan, and Bill Miceli. Other seniors on the team were Robert Heard, Joe Burrell, Floyd Priester, Bill Busiek, and Vincent Smith. These boys and many others tried to make our team a winning team in all respects, but even though we didn't come out on top, we can still remember this group of young men who tried to bring honor and glory to our school.

# CREW

Row, row, row your boat. Isn't Crew a fun sport? A few blisters and calouses never hurt anyone! English wasn't exactly in top form this year, but we gave quite a few teams some close races.

### PROCESSIONAL

"THE STAR-SPANGLED BANNER"

ADDRESS OF WELCOME — MICHAEL F. THOMAS

*President, Class of 1967*

### PRAYER OF THANKSGIVING

We gather together  
To ask the Lord's blessing  
He chastens and hastens  
His will to make known;  
The wicked oppressing  
Now cease them from distressing,  
Sing praises to His name —  
He forgets not His own.

We all do extol Thee,  
Thou leader in battle  
And pray that Thou still  
Our Defender wilt be  
Let Thy congregation  
Escape tribulation  
Thy name be ever prais'd:  
O Lord, make us free.

### AWARD OF PRIZES AND SCHOLARSHIPS

JOSEPH L. MALONE, Head Master

Contributions for awards and prizes have been received from many members of the alumni body, and from the Classes of 1863, 1870, 1877, 1880, 1883, and from nearly every graduating class since the year 1883.

ESSAY

THE NOBILITY OF WORK

STEPHEN W. WELCH, Class of 1967

CLASS SONG OF 1967

GLORIOUS THINGS OF THEE ARE SPOKEN

(Haydn)

Wondrous things of thee are spoken,  
Alma Mater, English High!  
Ties with thee will not be broken,  
Alma Mater, English High!  
Undeclared, all-victorious,  
Crowned with honors, English High,  
Raise thy banners proud and glorious,  
Waving blue against the sky.

Thou who unto knowledge led us  
Through the years of carefree youth,  
Teach thy future sons to follow  
In the paths of light and truth.  
May thine honor be resplendent:  
Praises, fame and glory thine,  
May your spirit, so transcendent,  
With God's grace forever shine!

## *A Little Better*

A little better skill in posing, a little better likeness and Boston's foremost imprint — and you have a much better photograph, much more satisfaction and far wider approval of results. Then we add beautiful covers and scrupulous care in details of packing and mark it—we deliver on time. No detail escapes our interested care.
